

May 21, 2019

To Our Valued Customers:

Please be advised of new list price sheets which take effect on June 3<sup>rd</sup>, 2019 and cover the following product groups:

**A-105N FORGED CARBON STEEL FITTINGS AND OUTLETS (CS 619)**

List Price Sheet CS 619 will supersede our previous sheet CS 1117 and mirror the current, prevailing list price sheet in the market. The increase is approximately 10% and applies to 2000 LB, 3000 LB and 6000 LB fittings and outlets. This is a list price adjustment only; current discount multipliers will not be affected.

**DOMESTIC LEADED BRASS THREADED FITTINGS (BRTF 619)**

Cost adjustments passed to us by the one remaining exclusive supplier of Domestic Leaded Brass Threaded Fittings have necessitated a price increase on this product group. List Price BRTF 619 will supersede our previous price sheet BRTF 511. This increase is a uniform 8% adjustment and applies to 125 LB and 250 LB Fittings and 150 LB and 300 LB Threaded Companion Flanges. This is a list price adjustment only; current discount multipliers will not be affected. Please note, certain other configurations no longer manufactured in leaded do not appear on the new sheet however, may be available upon request to the extent of our existing inventory and will become obsolete thereafter.

Excel versions of CS 619 and BRTF 619 are available at [www.meritbrass.com/pricesheets](http://www.meritbrass.com/pricesheets). Orders placed on or before June 2<sup>nd</sup>, 2019 will be honored at current list prices, but certain quantity restrictions may apply. Please contact your Merit Regional Sales Manager or Customer Service/Inside Sales Representative should you have any related questions or require additional details.

Thank you for your continued support.

Best Regards,

Merit Brass Company
