

March 1, 2010

TO OUR VALUED CUSTOMERS:

Please find new list price sheets on our web site www.meritbrass.com, covering Brass Nipples and *Leaded* Import Brass Threaded Fittings. Should you wish to receive hard copies of these price sheets, please contact our office at 800-726-9800. The price changes go into effect March 15th, 2010. Changes on the Brass Nipple and *Leaded* Import Brass Fitting sheets represent list price adjustments only – all discount multipliers remain unchanged. Additionally, we will be changing our *Lead Free* Import Brass Fitting list price sheet with all discount multipliers being quoted on a job to job basis. All orders received or post-marked by March 12th, 2010 for current shipment will be invoiced from the current price sheets. However, certain quantity limitations may apply.

BRASS NIPPLES

List Price Sheet BRNL 310 supersedes BRNL 1108. The new price sheet represents an across the board increase of approximately 7.82%. Extra heavy brass and chrome plated brass nipples are also covered under this price sheet.

Leaded IMPORT BRASS THREADED FITTINGS

List Price Sheet IBRTFL 310 supersedes IBRTFL 1108. The new price sheet represents an across the board increase of approximately 8.4%.

Lead Free IMPORT BRASS THREADED FITTINGS

List Price Sheet LFIBRTFL 310 supersedes LFIBRTFL 1109. The new price sheet represents increases which are variable in nature. Please contact either your Inside Sales Representative or Regional Sales Manager for discount multipliers to be utilized against this sheet.

We sincerely appreciate your continued support and our sales associates will be pleased to answer any questions you may have. All of us at Merit Brass are deeply committed to servicing all of your needs now and in the future.
