

MERIT BRASS FLATBED RUNS

Warehouse on Wheels (WOW)

Merit Brass offers **NEW**, regular flatbed runs from our Dallas and Houston Distribution Centers.

Please also note that our other locations (Cleveland, OH; Birmingham, AL; Sparks, NV; and Long Beach, CA) also provide our customers with regular runs.

Our Flatbed Runs Provide You With:

- Safe transit of your pipe inventories
- Quick delivery to meet your customers' growing needs
- Peace of mind on your pipe as more LTL carriers refuse to transport pipe

Each location has **specific, regular runs** identified as well as the frequency of that run. If tonnage warrants, Merit will add additional runs for a given WOW run.

Please contact sales at Merit Brass for **Full Freight Allowance Requirements** and all available options.

All flatbeds **close by 10:00AM on Thursdays** (Note: This may change based on flatbed capacity constraints.) Merit also offers crating for an additional fee.
