

June 6th, 2025

Dear Valued Customer,

As you may be aware, the Administration has imposed an additional 25% tariff on steel and aluminum products and their derivatives, effective June 4, 2025. This new tariff is in addition to the existing Section 232 tariffs and has created a significant and immediate cost impact on affected materials.

As a result, Merit Brass will be implementing a price adjustment across the following product categories effective June 9<sup>th</sup>, 2025:

- **Stainless Steel Nipples**
- **ANSI Flange**
- **Stainless Steel Buttweld Fittings**
- **150# Fittings**
- **1000# Fittings**
- **3000# Fittings**
- **Forged Steel Fittings**
- **Aluminum Nipples**

These adjustments will be reflected through updated **multipliers**, rather than changes to our published list prices. Please contact your local Merit Brass representative for multiplier details specific to your business.

We recognize the challenges this presents and remain committed to supporting you through this transition with transparency, responsiveness, and partnership. We appreciate your continued trust in Merit Brass.

Sincerely,

**Merit Brass Company**
