

MERIT BRASS FLATBED RUNS

Warehouse on Wheels (WOW)

Merit offers flatbed runs from each of our 6 locations: Cleveland, OH; Birmingham, AL; Dallas, TX; Houston, TX; Sparks, NV; and Long Beach, CA.

Our Flatbed Runs Provide You With:

- Safe transit of your pipe inventories
- Quick delivery to meet your customers' growing needs
- Peace of mind on your pipe as more LTL carriers refuse to transport pipe

Each location has **specific, regular runs** identified as well as the frequency of that run. If tonnage warrants, Merit will add additional runs for a given WOW run.

The **minimum order** for a flatbed is **\$7,000 Net** and is subject to a drop fee. Orders that meet \$12,500 Net will be shipped full freight allowed (all products of Merit are included). Merit does offer bundling for other products of Merit with your flatbed run. Merit offers the following pipe and tubing for WOW runs.

All flatbeds **close by 10:00AM on Thursdays** (Note: This may change based on flatbed capacity constraints.) Merit also offers crating for an additional fee.
