

## Declaration

### EU/UK Economic Sanctions on Russian Raw Materials

Merit Brass Company

November 1, 2023

To the best of our knowledge here at Merit Brass Company, none of the iron or steel (stainless, carbon, etc.) that we purchase contains any initial inputs during production that are Russian in origin. Material test reports of our raw material lots are kept and are available upon request.

Best Regards,

A handwritten signature in black ink, appearing to read "J. Maloney", is written over a light gray background.
