

MBWEBXPRESS CUSTOMER WEB PORTAL

QUICK ORDER PROCESSING

Your orders are processed quickly in MBWebXpress due to integration with our ERP system. Merit's customer web portal has several features for your repeat business including: saved carts, add all items to cart, and more... Confirmations are sent right to your email upon Merit's receipt of your order.

ACCESS TO INFORMATION

MBWebXpress offers our customers the ability to receive information regarding packing slips, purchase orders, stock status, pricing information, tracking information, MTRs (Material Test Reports) and more..

EASE OF DOING BUSINESS

MBWebXpress is available 24-hours a day/7-Days a week which gives you the flexibility to serve your customers at your fingertips. Lastly, our customer web portal **waives our \$100 Net Order minimum.**

SAVINGS IN TIME & COST

The transfer of information from computer to computer is automatic, which saves you time and allows you to serve your customers with other value-added services. There is little to no human intervention resulting in a reduction in errors.

GROW YOUR CUSTOMER BASE

MBWebXpress allows you the flexibility to ship direct to your customers. You can also respond to their needs quickly by requesting a quote, entering an order or processing a return.

INNOVATIVE SOLUTIONS

Driven to Provide Value to Your System
