FEATURES & BENEFITS

Since 1937, it has been our mission to provide you, our customers, with competitive and consistent, high quality products and services. For both you and your customers, each application can rely on Merit's quality for consistent ease of installation. Strong, partnering relationships with our vendors instills confidence that the products you receive will be to the standards you have come to enjoy from Merit. Vendors and their products participate in Merit's extensive quality assurance program as part of our commitment to quality. Our ISO Registered Quality System deploys procedures and processes with a commitment to continuous improvement whereby those services are married to your needs and capabilities.

Benefits of Stainless Steel

- Offers enhanced corrosion resistance, strength, durability and ductility
- Prevents contamination of the product from small particles, rust and scale
- Resists corrosive attack from hundreds of industrial & chemical solutions/mixtures
- Greater strengths at elevated temperatures
- Retains lustrous appearance
- Lifetime expectancy is much greater than other metals

Stainless Steel 150# Fittings

- Type 304 and 316
- Available in ISO Pattern or MSS SP-114
- MSS SP-114 certified to ASTM A351
- Low lead certified through NSF International®
- Offers low cost, corrosion resistant material with ease of installation

Stainless Steel Barstock Fittings

- Meets ASTM A276 or ASTM A182 requirements
- Rated for 1000 PSIG

Stainless Steel 150# MSS Flanges

- Type 304 and 316
- Available in Blind, Slip-On or Threaded
- Meets ASTM A351 requirements
- CF8M & CF8 material
- MSS SP-51
- NPT Threaded

Stainless Steel Applications

- Water
- Food & Beverage
- Oil & Gas
- Chemical
- Power Generation
- Pharmaceutical & Medical
- Automotive & Transportation
- Commercial & Residential
- Architecture & Construction

TYPE 304. Threaded & Socket Weld Stainless Steel

Numbers in orange indicate standard carton (box) quantities.

*Certain fittings in these size categories carry higher list prices and others carry no list price and are priced on application (POA).

Above MSS SP-114 pattern fittings each carry a separate discount structure in both the 150# MSS SP-114 threaded fittings and 150# MSS SP-114 socket weld fittings. They may also have variations in list pricing from their standard pattern counterpart. Contact a sales associate for further details. Above standard pattern 150# cast threaded fittings each carry a separate discount structure.

We reserve the right to change the quantities to standard packaging on staple items unless you specifically state "do not increase." For the Master Carton (Box) Quantity List, please visit meritbrass.com/pricesheets.

Some items not shown may be available upon request. Some items and sizes may be discontinued when stock is depleted and may require a minimum order quantity. Certain inventory limitations may apply. Priced on application (POA). All prices subject to change without notice.

Every precaution has been taken in preparing this sheet. Merit Brass Company cannot be held responsible for omissions or typographical errors. For list prices in Excel, please download by logging onto meritbrass.com/pricesheets. Contact our Sales Team for details at sales@meritbrass.com.
